Notes:

1. Must buy all your packs with sessions in one transaction. You will not be able to buy a pack and pick sessions later. If you make an error, we can fix it.
 2. You cannot buy two packs of the same number with different sessions. Unfortunately, you will have to buy in two transactions
 3. We will not be able to refund a session that you don't end up needing. We can transfer to a different session, but cannot refund once you purchase
- <- person 5 cannot be made into a pack. Cost of two sessions is the same as the cost of a three pack
